

Ascendant partners with Fiserv's Payment Exchange to provide options for international payments

Financial institutions can easily sign up through Fiserv to designate Ascendant as their preferred FX partner for handling international wire transactions. Ascendant is an international payments company that partners with Financial Institutions to help them provide foreign currency wires in over 140 currencies to 235 countries and territories.

Why Partner with Ascendant?

Best Pricing & No Minimums

Experience price advantages such as real time exchange rates, no minimum transaction volume requirements or implementation, training or maintenance fees.

True Partnership

Ascendant never competes for the business of your customers like some large bank competitors.

Customer Service

Each financial institution client is assigned a single point of contact for personalized and responsive customer service support.

Enhanced Compliance

Ascendant monitors and detects suspicious activity to help protect financial institutions against criminal activities and regulatory investigations.

Turnkey Due Diligence

Ascendant makes available a comprehensive due diligence package to address vendor risk management requirements.

Proven Track Record

Ascendant currently provides international payments to over 2,000 financial institutions.

Ascendant Can Also Facilitate:

- Foreign check clearing including imaging of items drawn in Canada
- Incoming foreign currency wires
- Forwards and options for financial institution high value clients

For additional information on how we can add value to your international wire infrastructure, please contact:
