

Elevate Customer Experience and Streamline Global Payments

Seamless International Wires for Q2 - Powered by Ascendant

Enhancing the Client Experience

International wire transfers may be a small part of your clients' activity, but for those who rely on them, they're essential. With Ascendant's aPay integrated in Q2, clients can send and manage payments without visiting a branch — boosting satisfaction and retention.

Built-In Customer Support Features

Payee Intelligence

Guides users through country-specific data requirements

IBAN & SWIFT Validations

Reduce errors and improve first-time success rates.

Live Currency Conversions

Provide clients with competitive, real-time FX rates.

Email Alerts

Notify users when actions are needed, ensuring smooth approvals.

Frictionless Operations

- Single sign-on with Q2 credentials
- Two-click wire processing
- Automatic debits
- Real-time, exportable reporting

Security and Oversight Without Compromise

- Role-based user permissions
- Approval workflows for dual control
- Multi-factor authentication
- AML monitoring with full audit trails

Cost-Efficient and Worry-Free

- No implementation or maintenance fees
- Free training and onboarding
- No transaction volume minimums

Deliver More to Your Clients

Ascendant's Q2 integration allows you to offer world-class international payment services with less operational effort — giving your team more time to focus on what matters most: your customers.
